The Women's History Trail & Sculpture Project

The first Women's History Trail in North Carolina has expanded to include 15 historic stops and will include an additional stop in 2023 that will become the trailhead of the project.

The extraordinary sculpture by Wesley Wofford *Sowing the Seeds of the Future* will be installed by the river at the gateway to the **Town of Franklin**.

Pick up a brochure at our display in the gym and **"Walk in Her Steps"** by visiting the trail in downtown Franklin.

The Women's History Trail and public art sculpture are projects of the Folk Heritage Association of Macon County
